I am cordially inviting you to join the

The Chairman Club by Brian B. Su®

You are personally invited by me to join my exclusive business networking group – *The Chairman Club by Brian B. Su®*! The EB-5 marketplace is heavily concentrated with new and old projects looking to secure an alternative source of financing. With more countries offering unique and competitive immigration programs, the EB-5 program is facing tremendous challenges to raise capital in international market. I have formed this very unique organization to ensure that you will be able to be connected in the constantly evolving Sino-U.S. business and overseas capital market. Your membership connects you to my powerful and extensive relationships throughout China and the U.S.; and gives you the edge necessary to remain ahead of competitors and on top of the investment market.

Here are what I offer with the annual membership:

- Annual membership of *The Chairman's Club by Brian B. Su®* (TheChairmanClub.org) that allows free access to my personal business networks in China and the U.S.
- Free registration to all premiere events hosted by Artisan Business Group (ABG) in the U.S including conferences, seminars, webinars, receptions, etc.
- Free invitation letters for China Visa application and China travel advisory
- Free newsletters and insider reports on new projects, market updates and trends
- 20% discount for project consultation agreement or/and long term service retainers
- 20% discount for member's associates to enroll at events hosted by ABG
- 10% discount for China trade missions and private meeting tours in China

Joining me now! *The Chairman Club by Brian B. Su®* keeps you connected with international capital market within the 12-month membership. For details about the program, please contact my director Tyler McKay at (217) 899-6661.
